A Word About Dress Code/Outerwear

As the weather has cooled down and jackets & sweaters have become necessary, we have observed some dress code infractions that need to be addressed:

1. Jackets, coats, sweatshirts & sweaters must be a solid color.
2. They must be navy, black, grey or white.
3. Only "small logos" on the right or left of the chest may appear. No other logos permitted.
4. Outer wear purchased from NCA or purchased on NCA field trips may also be worn.
5. Previous NCS or BES outerwear may be worn.

Dress Code is not what we're about nor is it a battle that we have chosen to fight, however we do need to ask your help in this matter, so that we can be consistent

Beginning in January, we will issue detentions for dress code violations.

Thanks for your support at home.
